It was a fantastic piece of steak...deep in flavour and soft to the last bite.

Truly sublime...melts in the mouth. Flavoursome... can't stop smiling.

*A. Moorehead, Lisburn*

## Burgers

The flavour and texture were exceptionally good... far superior in both taste and texture to other sorts of burgers.

## Rump steak

If it was a different shape I'd be convinced it was fillet.

*G. Lutton, Belfast*

## Sirloin

Just ate our Wagyu steaks. Absolutely superb. They weren't just good. They were melt in your mouth superb.

*C. Hill, Belfast*

## Sirloin

Steaks were, as the kids say it, A-MAH- ZING. Very tender, super flavourful. Best steak yet!

*C. Hoo, Belfast*

## Sirloin

The steaks were DOUBLE EPIC! For a sirloin, I couldn't believe how tender it was... I didn't eat any sauce with it. It just didn't need it!

*M. Stubbs, Head Chef, Sleepy Hollow Restaurant*

## Various steaks

Just had the first batch of the steaks. They were amazing! Already looking forward to the second half and the burgers. Will definitely be ordering some more.

*A. Moorehead, Lisburn*

## Various steaks

I have just cooked a sirloin and fillet tonight and honestly we have never tasted a piece of meat to compare... and we have eaten in some pretty top class restaurants.
